

Public Meeting Notice

Border 2012: U.S.-Mexico Environmental Program

The Arizona/Sonora Chemical Emergency Preparedness and Response Task Force of the U.S./Mexico Border 2012 Environmental Program announces its public session. The Task Force was created to help implement the goals and objectives of Border 2012 related to reducing the exposure to chemicals as a result of accidental chemical releases and/or acts of terrorism.

Place:

Nogales, Sonora
At a location to be determined

Date: Monday, February 9, 2004

Time: 4:00 pm - 5:00 pm

Agenda:

The Task Force will brief the public on its activities and issues being addressed. The public is encouraged to ask questions and to inform the Task Force of its concerns. Simultaneous interpretation in Spanish and English will be available.

For more information please contact the Task Force Co-Chairs:
